

TEU Goals and Workplan.

2019-2020

We actively defend and promote quality tertiary education that is accessible to all New Zealanders. Our system will be founded on an active Te Tiriti o Waitangi relationship, publicly valued, funded, and owned; collegially governed, and, equitable.

1

Advance our knowledge of Te Tiriti o Waitangi and actively work on our Te Tiriti relationship

2

Be the voice of the tertiary education sector (for publicly funded, accessible education, and to ensure a more socially just world)

3

Maintain and improve both pay and conditions of work

4

Foster collegial, inclusive, and equitable workplaces

To achieve our goals we need to work collectively. This means:

- all members having a place to take action in a way that is meaningful;
- council, national committees, and branch committees taking active roles in advancing the workplan; and
- increasing membership numbers, increasing the numbers of activists, and increasing our ally and supporter bases.

These goals and implementation plans are detailed in:

- Te Koeke Tiriti and Te Koeke Tiriti Handbook
- Te Kaupapa Whaioranga – The Blueprint for Tertiary Education;
- TEU’s Industrial Strategy
- TEU’s Political Strategy
- TEU’s Union Growth Strategy
