### 'EXPERIENCE WITH ATTITUDE'

My aims are to;

1. Enhance Te Tiriti relationship in both the TEU and in our workplaces and increase the density and activism of the membership to achieve "Kotahi Mano" Maori membership.
2. Continue work started by Te Tiriti Relationship Group.
3. Ensure TEU succession planning is in place to provide continuity of representation on a Regional and National level.
4. Continue to strengthen ties with affiliated unions to nurture the unions whanau.
5. Create strong relationships with all members throughout the country at all institutions over the term as President of the TEU.
6. We must maintain strong connections with the Student Union and demand manaakitanga of Tauira.
7. TEU will continue to have strong sponsorship of Government Departments, keep presenting submissions and speaking to select committees.
8. We must continue to get in the face of the politicians to get
  - a. Get the voice of diversity across.
  - b. Promote "not for profit " education and Promote lifelong education
  - c. One size does not fit all particularly when it comes to funding.
  - d. Actively pursue fees free education and promote Rural delivery
  - e. Sort out the anomalies of fees and the collection of fees.
  - f. Generally make access and the undertaking of tertiary education straight forward and simple. Students have enough on their plate besides worrying about processes Barrier free education
  - g. Senior Management teams must put staff above profit and encourage investment in education through facilities and resources.
  - h. Sort out the financial support systems to see funding get to student support.
  - i. Sort out the financial support systems to see funding get to staff support.
